

PRESS STATEMENT ON QUARTERLY LABOUR FORCE SURVEY

The Zimbabwe National Statistics Agency (ZIMSTAT) will conduct the 2023 Fourth Quarter Labour-Force Survey (QLFS) from the **10th to the 23rd of November 2023**. The Quarterly Labour-Force Survey, conducted under the Census and Statistics Act [Chapter 10:29] of 2007, provides high-frequency labour market statistics to inform policy formulation, decision-making, human capital development strategies and compilation of Quarterly Gross Domestic Product (GDP), among other key uses.

The survey also provides key labour market indicators which include but are not limited to:

- i. Employment levels, both formal and informal;
- ii. Unemployment;
- iii. Labour underutilisation;
- iv. Income levels;
- v. Labour migration and;
- vi. Job losses.

The exercise will be conducted in all provinces and information collected is strictly confidential and will be used for statistical purposes only. For ease of identification, our field personnel will have official letters and personal identity cards.

ZIMSTAT is seeking cooperation from all households with respect to this exercise.

More information about the survey can be obtained from ZIMSTAT Provincial Statisticians whose contact details are listed below:
