

PRESS STATEMENT ON QUARTERLY LABOUR FORCE SURVEY

The Zimbabwe National Statistics Agency (ZIMSTAT) will be undertaking the Quarterly Labour Force Survey (QLFS) for 1st Quarter 2024. The survey will be conducted from **12th to 26th March 2024**. The Survey aims to collect data and produce high-frequency labour market statistics to inform policy formulation, decision-making, human capital development strategies and compilation of Quarterly Gross Domestic Product (GDP), among other key uses.

The survey also provides key labour market indicators that include but are not limited to:

- i. Employment levels
- ii. Unemployment
- iii. Labour underutilisation
- iv. Income levels
- v. Labour migration and
- vi. Job losses

The Quarterly Labour Force Survey, will be conducted under the provisions of the Census and Statistics Act [Chapter 10:29]. Information collected from the survey is strictly confidential and will be used solely for statistical purposes.

Given the foregoing, the Zimbabwe National Statistics Agency is seeking for cooperation from all households selected for the survey.

For ease of identification, our field personnel will have with them official letters and personal identity cards. More information about the survey can be obtained from ZIMSTAT Provincial Managers and Statisticians whose contact details are listed below:
